

# BRITTANY CHRISTIE

CLASS OF 2009

Brittany Christie's journey from championship basketball courts to community leadership is a testament to her resilience, vision, and commitment to service. A standout shooting guard at Florida High, she led her team to consecutive Class 3A state titles before continuing her athletic and academic career at Tallahassee State College, where she earned honors as a student-athlete and campus leader. After graduating with distinction and earning a Master's in Sport Management from Florida State University, Christie founded Christie's Sports and Philanthropy Strategy Group, empowering athletes to make meaningful impacts through initiatives like the Tallahassee Legends Youth Football Camp and "Gifts for Good Grades," reaching thousands of families nationwide.

Her dedication to community extends far beyond the sports arena. As Community Relations Manager for the Leon County Sheriff's Office and former leader at The Salvation Army of Tallahassee, she has driven transformative outreach, increased volunteerism, and built bridges between institutions and the public. Christie's influence is recognized through honors such as Tallahassee's Top 40 Under 40 and 25 Women You Need to Know, and her appointment to the Tallahassee Sports Council in 2025. A proud member of Delta Sigma Theta Sorority, Inc. and New Mt. Zion AME Church, she continues to serve with purpose and faith, grounded in the values instilled during her time at TSC—now immortalized through her induction into its Hall of Fame.
