

FLORIDA HIGHWAY PATROL ADVISORY BOARD

The Florida Highway Patrol Advisory Council is an organization comprised of business, professional, and community leaders throughout the state. Members of the Advisory Council provide assistance to the Director of the Florida Highway Patrol by offering input regarding the performance of the Patrol and the quality of service provided to the public.

The Advisory Council was incorporated in 1999 as a not-for-profit 501(c)(3) organization and subsequently established the Florida Highway Patrol Trooper Memorial Fund. This fund was established to provide a memorial honoring Florida Highway Patrol Troopers and Florida Highway Patrol Auxiliary Troopers who lost their lives in the line of duty serving and protecting the citizens of the State of Florida.

The Advisory Council assists the Florida Highway Patrol in other areas such as special projects, and undertakings designated by the Director of the Florida Highway Patrol. Especially important is the Council's mission to provide our troopers with resources that will assist them with providing quality service to the public and enhancement of their personal welfare.
