SUBJECT: Dual Enrollment Articulation Amendment

Item Description

This item presents an amendment to the 2025-2026 dual enrollment articulation agreements for all participating high schools.

Overview and Background

The dual enrollment agreements with the Leon, Gadsden, and Wakulla county school districts as well as the local private and charter schools were originally approved during the June 16, 2025 Board of Trustees meeting. This amendment proposes to include language that states how students will be notified about transportation when participating in career dual enrollment on the college campus. Also, language is included to address modifications that will be made to the course schedule to increase access and participation for credit and career dual enrollment students. The amendment is based on new legislation in Florida Statute 1007.271 to provide increase student access to dual enrollment opportunities.

Funding/ Financial Implications

There are no financial implications.

Past Actions by the Board

Transportation Notification for Career Dual Enrollment Students

In accordance with Florida Statute 1007.271(7)(f), the College and the School agree to ensure that students and parents/guardians are informed of available transportation options. The School shall provide clear information regarding transportation arrangements, including eligibility, schedules, and access points, through multiple communication methods such as school websites, informational sessions, printed materials, and direct outreach during the student advising and enrollment process. This information will be made available prior to the start of each academic term in which the student is enrolled in career dual enrollment courses held at the college campus or other off-site instructional locations.

Scheduling Modifications to Increase Access and Participation for Credit and Career Dual Enrollment Students

In alignment with Florida Statute 1007.271(7)(g), the College and School District agree to collaborate in identifying and implementing scheduling changes that support increased access to and participation in credit and career dual enrollment opportunities. This may include, but is not limited to, flexible course scheduling, alignment of bell schedules, block scheduling, evening or weekend offerings, or hybrid/online course formats. The parties will annually review scheduling practices and barriers and will jointly develop strategies to improve participation among eligible students.

IN WITNESS WHEREOF, this Amendment is to become effective August 18, 2025.
