Any Mathematics State Core	CHM1032
BSC2085 + Lab	BSC2086 + Lab
Any Civic Literacy Course	SYG1000 or PSY2012
Total: 13	Total: 13

Program Purpose:

To prepare students for the examinations offered by the National Board for Respiratory Care for employment as registered respiratory therapists who can safely and competently perform patient care by applying scientific principles to prevent, identify and treat acute and/or chronic dysfunction of the cardiopulmonary system.

This program is accredited by the Commission on Accreditation for Respiratory Care (www.CoARC.com).

Program Length:

76 credit hours

Admission Requirements:

- Be at least 17 years of age at the time of entry into the program
- Complete all admission requirements to the College
- Have a cumulative, unrounded GPA of 2.5 for all college-level courses (See [GPA for Respiratory Care](#).)
- Earn a grade of C or better in the three prerequisite courses listed below

Program Application:

The Respiratory Care program begins in the Fall semester. It is a limited-access program with a limited number of seats per class. Applicants must submit a TSC Healthcare Program application by the published application deadline to be officially admitted into the A.S. degree program.

See [Additional Healthcare Program Requirements](#) for more important information.

View [Healthcare Program Application Deadlines](#).
